**EVENT REPORT**

<b>Activity:</b> Counseling of Shopkeepers For Solid Waste Management	<b>Date:</b> 25/09/2017
<b>Venue:</b> College Mess, Shops and hotels near to college campus	<b>Time:</b> 3.45 PM TO 6.45 PM

**ACTIVITY/SURVEY DETAILS:**

On 25<sup>th</sup> September 2017 NSS CELL, of Government College of Engineering and Research conducted an activity which was concerned with the issue of food wastage and cleanliness of area near to college campus. This activity included survey and a counseling of shopkeepers about reducing waste production. Volunteers had conducted a short meeting in which 38 volunteers were divided into seven groups and assigned with different shops for survey so that each group can cover 3 /4 shops. The points to be conveyed to the shopkeepers were first listed. The thought behind this activity was to make people aware about social issues rather than giving them a solution it would be beneficial for society. At the end of meeting we took a pledge for healthy and clean India.

During the course of approaching shopkeepers we discussed ‘**Reduce, Reuse, and Recycle**’ (RRR) with them i.e. to reduce waste production, reuse things, and recycle when ever possible.

Volunteers asked few questions to shopkeepers about the amount and type of waste produced in their hotels/shops, gave them idea about food bank, and asked them whether they are ready to contribute for it, and suggestions. Activity ended nearly at 5.45 pm where all groups gathered with their survey details, and analyzed data from various shops, discussed about their problem and tried to figure out solution.

**SURVEY DATA** (questions asked in survey):

1. Method of disposal of wastage?
2. Do you have any a dustbin in your shop?
3. Wet and dry garbage separation?
4. Type of food wastage produced in shop/hotel?

(Swapnil Lonkar)	(Dr. U.S. Kakade)
Student Coordinator	NSS Program Officer

**PLEDGE:** I \_\_\_\_\_ Understand The Environment And Social Impacts Of Food Wastes And Believe That We Should Not Waste Food. I Pledge To Reduce Food Waste On This Earth.I Will Contribute Myself Towards Clean, Healthy And Safe India.
